**ORDER AMENDING ORDER ON MOTIONS IN LIMINE**

This is an environmental air pollution case brought by the citizens of River Rouge and Ecorse and the cities. The case has been certified as a class action.

On September 17, 2007, the Court held a status conference on the record to discuss several motions in limine and rule on each motion.

On September 19, 2007, the Court entered an Order further memorializing its rulings. In the Order, the Court stated that Defendants' Motion in Limine to Exclude the Toxicology Opinions of Plaintiffs' Expert Witness, Rick P. Harding, Ph.d. (#119 & 81) was denied. This is incorrect. The motion is HELD IN ABEYANCE pending completion of the Joint Final Pretrial Order.

SO ORDERED.

Dated: October 18, 2007
